PRIZES THIS YEAR:

Prizes this year will be awarded by class, grade level, and school-wide. Every \$1 earned for your student's class counts toward that class total. Shirts (\$10), signs (\$25), and pledges all count. **If sending in cash/check, each student needs a separate order form & pledge sheet.** When done via MemberHub, just be sure to select or type the correct teacher. Links can still be sent out, like last year, so that family/friends may purchase shirts, purchase signs, & make pledges for your student with it counting toward the goal.

On Friday, November 18, 2022 Apex Elementary School is participating in the 9th annual FUN RUN organized by the PTA. The purpose of the FUN RUN is to increase awareness of health and fitness while also raising funds to support the academic enrichment at our school.

Leading up to the FUN RUN, students reach out to friends, family and community members to support them for the special event by making a one time donation (called pledges). On the day of the FUN RUN, ALL students will join their classmates to run or walk during their specials rotation. Parents are invited to join in by running, walking or cheering!

Remember, A donation in ANY amount will help us reach our goal!

- ★ A \$5 donation covers a special treat for a 5th grader's end of year ceremony!
- ★ A \$25 donation provides refreshments for a new teacher mentorship meeting!
- ★ A \$60 donation will purchase a set of phonics cards for a K-2 class.
- ★ A \$110 donation purchases a reading instruction kit.
- ★ A \$150 donation supplies one teacher's curriculum funds for the year.
- ★ A \$750 donation will provide an entire grade level with a subscription to Scholastic News and Raz Kids!

The money raised from the FUN RUN goes back to the school to purchase new technology, provide cultural arts programs as well as provide classroom support. Please help support *every child* at Apex Elementary by helping us reach our goal of \$30,000.

Please reach out to apexesfundraisingvp@gmail.com if you have any additional questions!
