

## **Apex Elementary School PTA Support for the 2018 Wake County School Bond**

Whereas, According to the US Census, Wake county estimates 74 people a day move into our county; and

Whereas, The state constitution requires counties to build and maintain school buildings according to growth and need; and

Whereas, the Wake County Board of Commissioners has voted to ask citizens to approve a school construction bond during the election coming on November 6, 2018; and

Whereas, By keeping Wake County's AAA bond credit rating and securing lower interest rates, the Wake School Bond will save taxpayer money in the long term; and

Whereas, The bond will provide funding to renovate 11 schools including new air conditioning units; and

Whereas, The bond will provide funding to build 5 new elementary, 1 new middle and 1 new high school; and

Whereas, The bond includes funding for improvements to school safety; and

Whereas, The bond will provide funds to update and maintain new classroom technology;

**Therefore, be it resolved that the Apex Elementary School PTA hereby expresses its strong support for a YES vote for the 2018 Wake County School Bond on the November 6th ballot.**
