On Friday, November 15th, 2019 Apex Elementary School is participating in the 6th annual FUN RUN organized by the PTA. The purpose of the FUN RUN is to increase awareness of health and fitness while also raising funds to support the academic enrichment at our school.

Leading up to the FUN RUN, students reach out to friends, family and community members to support them for the special event by making a one time donation. On the day of the FUN RUN, ALL students will join their classmates to run or walk during their special's rotation. Parents are invited to join their child by running, walking or cheering! Then, join us to *celebrate* that same evening in the school gym with the FUN RUN After Party. Enjoy dancing, food trucks, games, raffle, silent auction and good {free} family fun!

100% of the money raised from the FUN RUN goes back to the school to purchase new technology, provide cultural arts programs as well as provide classroom support. Please help support *every child* at Apex Elementary by helping us reach our goal of \$25,000.
